General conditions for the workshops and accommodation in Sizain

The workshops

- The participant definitely signs in for a workshop, by sending the printed and signed booking form to my german adress and by paying 50% of the workshop fee on my bank account. The contract will be concluded, if I'll have receipt both.
- The participant will receive a bill on the whole workshop fee, marking his payed account. The remaining amount of the bill has to be paid after 5 days of workshop.
- The fees to pay can be found in the pricelist of the actually present year.
- In case of cancellation of the completed and valid registration, an administration fee of 150.-€ will be withheld for losses incurred.
- All payments will be completely restituted if the workshop should be cancelled by the organizer for reason (sickness, accident or other empeachment).
- The participant may work from 9 am bis 8 pm in Sizain. The necessary tools and a bloc of stone are furnished by the organizer. Only the stone will remain in the property of the participant.
- The participant provides working cloth especially safe shoes, working gloves but also breathing mask and safety goggles).

Insurance and responsibility

- It is recommended to get a travel insurance for the duration of the course.
- The organiser doesn't cover liability insurance or accident insurance for the participants. and refuses all liability for accidents of the participant and dammages on his property. The teaching of security messures to the participant during the workshop can't change this clause.
- The participant is liable for dammages he causes on the property of the other participants and of the organizer.
